

Let's talk about
**BIAS, RACE & MEDICINE:
RETHINKING NARRATIVES IN SCIENCE**

Short Film Screening and Q&A

Join **iBiology** to watch and discuss “Background to Breakthrough”, a series of videos exploring how the identities, culture, and backgrounds of scientists fuel their ingenuity and approaches to problem solving.

Short screening followed by 30-minute Q&A with Dr. Burchard and film producers Dr. Mónica Feliú-Mójer and Nina Griffin.

Free event. Light refreshments will be provided.

**June 14, 2018
4:00-5:15 PM PDT
Genentech Hall Auditorium, UCSF Mission Bay**
