

Diversity Training Funding Opportunity

Diversity Supplement Submission Alert

Are you a principal investigator looking for supplemental funding?

The NCI Research Supplements to Promote Diversity in Health-Related Research (Diversity Supplements) support research training for underrepresented groups from high school students to investigators.

Diversity supplements provide your trainees with:

- Funding for salary, fringe benefits, and tuition for eligible students
- A pathway to further NCI and NIH funding opportunities
- Academic and professional support and opportunities to network with mentors, peers, and NCI Program Officers

Learn more about diversity supplements in this [fact sheet](#) or in the [funding opportunity announcement](#).

The NCI Center to Reduce Cancer Health Disparities (CRCHD) sponsors the Diversity Supplements as part of the [Continuing Umbrella of Research Experiences](#) (CURE) program.
